RE. New Fees for 2019

Dear Families,

Based on consideration of future costs involved in running the centre, the Management Committee has agreed on a \$1.00 increase for each session charge for 2019. Penalty and registration fees remain the same.

Our new fees (starting 30th January 2019) are as follows –

PERMANENT		CASUAL	
Morning care	\$15.00	Morning care	\$17.00
Afternoon care	\$21.00	Afternoon care	\$24.00

Having conducted a survey of charges for other centre in the area we've found that our fees are both comparable and reasonable.

With operations reaching maximum capacity in 2019, and the associated costs (additional staffing, insurance premiums, programming and resources etc) this increase will ensure we can adequately cater for the needs of the children and maintain a viable financial position as a not for profit business.

If you have any questions please direct your queries to the Management Committee or the Management Team.

Kind Regards,

Sarah Ramsey
Management Committee Treasurer

Brigitte Carroll
Centre Director
